

## 3M™ Filament Tapes

High-strength reliable and affordable solutions for product and package integrity. For closing boxes, stabilizing pallets, bundling and reinforcing.

### 3M™ Filament Tape 8932

Clear polypropylene backing, reinforced with glass yarn filaments. Designed for light duty bundling, reinforcing, and pallet unitizing applications where nick and abrasion resistance are needed.

### 3M™ Filament Tape 8934

Transparent polypropylene film backing reinforced with glass yarn filaments. Light-duty tensile strength, nick resistance, abrasion resistance and good handling for utility bundling, reinforcing, and pallet unitizing applications.

### 3M™ Filament Tape 897

Heavy duty, industrial grade filament tape. Polypropylene backing reinforced with glass filaments. Typical 170 lb/inch width tensile strength for light-to-medium-duty bundling, reinforcing, and palletizing. Good initial and long-term adhesion with good shear strength.

### 3M™ Box Sealing Tapes

Product	Colour(s)	Tape Structure (Backing/Adhesive)	Total Thickness mm (mil)	Adhesion to Steel N/100mm (oz/in)	Tensile Strength at break N/100mm (lb/in)	Elongation at break (%)
8932	Clear	Polypropylene /synthetic rubber resin	.13 (4.3)	54 (50)	1660 (95)	3
8934	Clear	3M™ Scotchpro™ film/synthetic rubber resin	.11 (4)	65 (60)	1750 (100)	3
897	Clear	3M™ Scotchpro™ film/synthetic rubber resin	.15 (6)	65 (60)	2980 (170)	3

Products highlighted above have been ranked in relation to each other (Good / Better / Best). Beyond the utility products featured in our EDLP price page, 3M has many tapes available for specialized or high performance requirements. Please contact your local 3M tape specialist.
